NEUROSCIENCES

Dear Patrons,

It gives us immense pleasure to invite you to the launch of the **Apollo Neuro Oncology at Apollo Speciality Hospital, Jayanagar**, a dedicated center committed to delivering comprehensive, multidisciplinary care for patients with brain and spinal tumors.

Bringing together the expertise of neurosurgeons, neuro-oncologists, medical oncologists, radiation oncologists, neuroradiologists, neuropathologists, and rehabilitation specialists, the Institute combines advanced technology with evidence-based treatment to provide personalized care and improved patient outcomes.

We are honored by your presence as we mark this significant milestone, followed by an exclusive scientific session In association with **Association of Physicians of India (API) - Karnataka Chapter** highlighting the latest advances in neuro-oncology.
